# Memorandum

TO : AD/OEL

DATE: 1 April 1965

FROM : DAD/S&D

SUBJECT:

25X1A

This has been a part of the [REDACTED] plan since initiation. The idea is that with the [REDACTED] missions in the area, it might well be that some radars which would be of interest to [REDACTED] might come up or might go down and with somebody there to determine what the operation was better insight could be achieved into the planning for [REDACTED]
